LAUNCH: Undergraduate Research

Sarah M. Misemer, Ph.D.

Associate Director for Undergraduate Research

LAUNCH

UGR Announcements

TEXAS A&M
UNIVERSITY

NEW University SAP 15.99.99.M0.04

- Any undergraduate student who participates in research must complete online Responsible Conduct for Research (RCR) training within 60 days from their initial involvement in the research activity.

Example Resource for Colleges/Departments: Research Approval Form

- Biochemistry and Biophysics has implemented a new undergraduate research compliance approval for COVID-19 safety form to track active projects and approved personnel.
- Email ugr@tamu.edu for this resource.

Undergraduate Research Scholars Thesis Program

- Students worried about or limited by COVID-19-related restrictions and/or disruptions may now also choose to use the NEW Journal Style Thesis.
- **Application Deadline:** September 14, 2020 at noon.
- <https://launch.tamu.edu/Undergraduate-Research/URS/Apply>

Undergraduate Research Expo (September 28-October 2)

- LAUNCH can help you recruit undergraduate researchers and/or promote your resource!
- Submit to our opportunities database OR submit a 2-min. video ad.
- **Submission Deadline:** September 11, 2020 at noon
- Email ugr@tamu.edu for details.

LAUNCH COVID-19 Page

- Running list of COVID-19 updates from the Provost and VPR that impact undergraduate students in LAUNCH programs.
 - <https://launch.tamu.edu/COVID-19>
